

Annual Progressive Dinner

It's spring! Our plants are blooming, your coats are hung in the closet (and stay there!), and the Somerset Progressive Dinner is in the works. Join your neighbors for one of our most popular events of the year. This is a wonderful opportunity for new and long-time Somerset families to socialize after a long winter.

Your evening begins with cocktails and appetizers in a lovely Somerset home. The party then progresses to another home for dinner at which the host(s) will display their culinary interests by preparing the entrée. The night concludes at the clubhouse for dessert and coffee. You will provide a dish (appetizer, side dish or dessert) for one portion of the evening.

Saturday, April 24, 2010

Thinking about Hosting?

Your role as a host is to open up your home as a gathering place for one portion of the evening. For the rest of the evening, you will simply enjoy yourself as a guest.

Cocktail Hosts: Wine, beer, water, napkins, cups, plates and forks will be delivered to your home the day of the event. Appetizers will be provided by some of your guests (you may wish to contact them to ensure a nice variety).

Dinner Hosts: Show off your culinary skills with your personal choice of an entrée. You can co-host with a neighbor and share the experience. SHOA will give you supplemental funds to help cover the cost. Some of your guests will be providing side dishes (you may wish to contact them to ensure a nice variety). Dinner groups are typically smaller than cocktail and dessert groups. We do have access to extra tables and chairs if needed.

Thank you in advance for graciously offering your home and time for this event! We are very glad to have you join us as a host and/or as a guest! If you have not hosted before, please consider doing so. It is a great opportunity to open up your home to neighbors while enjoying the culinary skills of others. If you have not attended a Somerset event before, you simply must join us for a night to remember!
